

The screenshot shows the USPA web interface. At the top, there are four buttons: "Search", "List", "Browse", and "Queue". Below these are two input fields: "DBs" and "USPA", followed by a checkbox labeled "Plurals". A line of text reads "Default operator: ☒ Highlight all hit terms initially". The main content area is a large text box containing the search results: "golf near2 cart and polycarbonate". To the right of this text box is a vertical scrollbar. At the bottom of the window is a standard Windows taskbar with several icons.
